Opening Exhibit Reception

Marriott 1-5 | Friday, July 13, 5:30–7 p.m.
Sponsored by Practice Fusion

Practice Fusion, an Allscripts company, is the #1 cloud-based ambulatory EHR platform in the U.S., supporting over 20,000 medical practices in delivering better care to over 5 million patients a month. With a best-in-class satisfaction rate, Practice Fusion is committed to delivering intuitive and easy-to-use health IT solutions to small, independent medical practices. To learn more, visit www.practicefusion.com.

Summit Happy Hour

Marriott 1-5 | Saturday, July 14, 5:30–6:30 p.m.
Sponsored by The Direct Primary Care Alliance

The Direct Primary Care Alliance is a grassroots organization providing vision, leadership, and guidance to the DPC community through physician-led education, mentorship, advocacy, and organizational intelligence. To learn more, visit www.dpcalliance.org.

Lunch

Marriott 1-5 | Saturday, July 14, 12:15–1:30 p.m.
Sponsored by Direct Primary Care of America, LLC

Direct Primary Care of America operates an interactive, flexible, and intuitive direct primary care directory marketed to DPC practices across the country. The directory is operational on any device. DPC physicians have the flexibility to create their own profiles and the directory will have a map enabling users to locate local DPC providers. Direct Primary Care of America has an established relationship with the Association of Mature American Citizens (AMAC), a 1.3 million-member, national benefits organization, to promote the directory and the DPC practice model locally to their members for participating DPC practices. To learn more, visit www.dpcofamerica.com.

Summit Coffee Bar

Sponsored by AAFP Virtual Care

Powered by Zipnosis, AAFP Virtual Care™ is a leading-edge telemedicine platform that marries clinical efficiency and convenience with high-quality care through online patient interviews and video consultations. It is launching soon. Come learn how to be one of the first adopters of this technology.

Session Recordings

Sponsored by Hint Health

Thanks to Hint Health, select sessions will be available for viewing following the event.

Hint builds technology platforms and educational programs to enable the success of Direct Care models. These tools empower physicians to run next generation businesses that compete directly with insurance backed solutions, giving them the competence and sophistication of modern health plans so they can effectively compete and win more business. Headquartered in San Francisco CA, Hint was founded in 2013 with a mission to free providers to make great health care accessible and affordable. To learn more, visit www.hint.com.
Explore Downtown Indianapolis!

Eat!
Downtown Indy’s diverse restaurants and bars allow you to choose from nearly 300 establishments, including Indy originals and well-known chains. Menus vary from homegrown ingredients infused into healthy entrees and fiery shrimp cocktails to gourmet burgers, huge tenderloins, abundant sushi, and everything in-between. Perfect for families who desire quick eats or friends looking for a casual, authentic setting, Downtown Indy dining choices make it possible to try something different every visit.

Shop!
With more than 200 shops, Downtown Indy offers a variety of options from well-known retailers, including Carson’s Department Store, Coach, and H&M in Circle Centre Mall to one-of-a-kind boutiques in cultural districts, including Mass Ave. Visit unique stores for funky, handcrafted art, eclectic home wares, trendy clothes, custom jewelry, and homemade chocolates. Whether you shop more traditional or off the beaten path, Downtown Indy will have something you love.

Discover!
Indianapolis is bursting with pride over its six unique cultural districts: Canal and White River State Park, Fountain Square, Indiana Avenue, Market East, Mass Ave., and Wholesale District. Four of the six districts have homes directly in Downtown Indy, while Fountain Square is just a mile southeast.

CME Statements

Credit Statements – AAFP, ACCME, AMA and AOA
This Live activity, DPC Summit 2018, with a beginning date of 07/13/2018, has been reviewed and is acceptable for up to 15.50 Prescribed credit(s) by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American Academy of Family Physicians and the American College of Osteopathic Family Physicians and the Family Medicine Education Consortium. The American Academy of Family Physicians is accredited by the (ACCME) to provide continuing medical education for physicians.

ACOFP has requested and received approval under an exemption approved by the AOA Council on Continuing Medical Education (ACCME) for 15.50 credits of AOA Category 1-A CME credits. This program is co-sponsored by the ACOFP for educational purposes only. The material presented is not intended to represent the sole or best medical interventions for the discussed diagnoses, but rather is intended to present the opinions of the authors or presenters that may be helpful to other practitioners.

Attendees participating in this medical education program do so with the full knowledge that they waive any claim they may have against the ACOFP for reliance on any information presented during these educational activities.

If you are planning to apply for AOA credit, please visit the registration booth and give your AOA number.

Conflict of Interest Policy
It is the policy of the AAFP that all individuals in a position to control content disclose any relationships with commercial interests upon nomination/invitation of participation. Disclosure documents are reviewed for potential conflicts of interest and, if identified, conflicts are resolved prior to confirmation of participation. Only those participants who had no conflict of interest or who agreed to an identified resolution process prior to their participation were involved in this CME activity.

Conflict of Interest Disclosure
All individuals in a position to control content for this activity have indicated they have no relevant financial relationships to disclose.
Creating bridges between self-insured employers and DPC practices.

---

**ACOFP Special Interest Groups (SIGs)**

ACOFP Special Interest Groups (SIGs) connect like-minded physicians in a no-pressure environment to learn, discuss and network on a range of topics that focus on important areas of medicine.

Connect with a community of physicians who care about the same things you do by joining the Direct Primary Care SIG.

JOIN TODAY AT [acofp.org](http://acofp.org)
The Future of Patient Care

Give your patients more options with AAFP Virtual Care, a new telemedicine platform created for AAFP members. Treat patients when and where they need it—via web-based technology. Offer your patients quick asynchronous or video visits. The platform maximizes documentation and communication efficiencies to support your capacity to accept more patients. It’s the next evolution in patient care.

Why choose AAFP Virtual Care?

• Offer convenient care to your patients via a mobile-accessible web app. Only an internet connection is required.
• Quickly and easily set up a practice-branded web storefront, pricing, and hours.
• Easily promote your virtual care services by customizing prepared materials and recording video messages for your webpage.

For more information, visit our exhibitor booth.
Ready for direct primary care?
We can show you how.

AAFP Direct Primary Care Toolkit

Developed by DPC leaders and industry experts, the AAFP Direct Primary Care (DPC) Toolkit is packed with easy-to-use resources to help you:

- Understand the financial model.
- Plan your membership structure.
- Promote your practice with marketing guides.
- Identify consulting, legal service, and technology providers with DPC expertise.

Do you want to be empowered and rewarded for providing your patients with excellent care in a truly patient-centered fashion?

Find out if DPC is right for you.

Purchase the AAFP DPC Toolkit today.

Sessions—Friday

Friday, July 13

DPC Summit Preconference
Sponsored by Primary Care Innovators Network and Family Medicine for America's Health
8 a.m.–12 p.m.
Marriott 1-5

Join Mike Tuggy, MD, Jed Constanz, and Michael Thompson as they talk about direct contracting between employers and primary care practices using the DPC model. This is an opportunity for those who pay for care to speak directly to those who provide or coordinate high-performing primary care health services using a DPC model.

Preconference sessions are NOT approved for continuing medical education (CME) credit.

Led by Mal O’Connor, PhD; Laurence Bauer, MSW, Med

DPC Summit Conference
Take a Leap of Truth
1–1:45 p.m.
General Session Room – Marriott 6-10

At the end of this educational activity, participants should be able to:

• Gain a better understanding of the DPC model.
• Evaluate whether or not DPC is an effective model for your career path, and/or for your current practice and patient communities, including the practicality of converting an existing fee-for-service (FFS) practice into a DPC, versus starting a new DPC practice from scratch.
• Develop a solution for key work stressors.

Jeffrey Gold, MD, Gold Direct Care PC

Prove it or Lose It: Defining Outcomes the DPC Way
1:45–2:30 p.m.
General Session Room – Marriott 6-10

By the end of this educational activity, participants should be better able to:

• Recognize the market demand for cost and quality data.
• Explain various cost and quality measures that reflect DPC impact, without diverting physician time from patient care.

Joel Bessmer, MD, Strada Healthcare

DPC as the Advanced Alternative Payment Model – National Update
2:30–3:15 p.m.
General Session Room – Marriott 6-10

At the end of this educational activity, participants should be able to:

• Gain an understanding of the CMS Transforming Clinical Practice initiative (TCPi) and how the Practice Transformation Network (PTN), including DPC, will affect clinical practice.
• Comprehend the impact that the national network of DPC practices can have on employer contracts and optimizing patient outcomes and practice success.
• Appreciate the value of aggregate practice data on influencing health policy and scalability of direct primary care.

Brian Forrest, MD, Access Healthcare Direct

If You’ve Seen One DPC Practice, You’ve Seen One DPC Practice
3:30–4:45 p.m.
General Session Room – Marriott 6-10

At the end of this educational activity, participants should be able to:

• Identify key commonalties and differences among DPC practices.
• Draw upon past experiences of early DPC pioneers for successful DPC business strategies.

Thomas White, MD (moderator), HomeTown Direct Care; Cory Annis, MD, Unorthodoc®; Maura McLaughlin, MD, Blue Ridge Family Practice; Kylie Vannaman, MD, Health Suite 110

Preconference sessions are NOT approved for continuing medical education (CME) credit.
Sessions—Friday and Saturday

Working with Small Employers: Creating Healthy Employees and Happy Employers

4:45–5:30 p.m.
General Session Room – Marriott 6-10
At the end of this educational activity, participants should be able to:
• Understand the role that DPC practices can play in helping small employers provide benefits to their employees.
• Identify different models and characterizations of partnerships between DPC practices and small employers.
• Determine strategies to attract and engage small employers to DPC practices.

Risheet Patel, MD, Fishers Direct Family Care;
Brad Banks, Co-owner of Banks & Brower, LLC

Saturday, July 14

Tunneling Through the Rock: The Qliance Experience

8–9 a.m.
General Session Room – Marriott 6-10
At the end of this educational activity, participants should be able to:
• Understand the barriers to fundamental change in the health care system and threats to DPC.
• Advocate for DPC and other systemic changes in the health care system.

Erika Bliss, MD, Equinox Primary Care, PLLC

Lines in the Sand: Boundaries and Sustainable DPC

9–10 a.m.
General Session Room – Marriott 6-10
At the end of this educational activity, participants should be able to:
• Create boundaries prior to opening a DPC practice to pave a path for a sustainable practice.
• Modify their business model after opening to correct for unanticipated lifestyle challenges inherent to DPC.
• Compare and contrast challenges of DPC practices through an open-forum discussion.

Julie Gunther, MD, sparkMD;
Delicia M. Haynes, MD, Family First Health Center

Pearls of Wisdom for DPC Practices – What Works and What Doesn’t

10:15–11:15 a.m.
General Session Room – Marriott 6-10
At the end of this educational activity, participants should be able to:
• Identify and draw upon best practices being used in direct primary care for practice success.
• Gain an understanding of the insights for recruiting and retaining your patient panel.
• Comprehend how active and continuous patient engagement via technology can improve patient satisfaction and experience.

Brian Forrest, MD, Access Healthcare Direct;
Emilie Scott, MD, Halcyon Health DPC

DPC Advocacy Briefing

11:15 a.m.–12:15 p.m.
General Session Room – Marriott 6-10
At the end of this educational activity, participants should be able to:
• Review recent federal and statewide DPC legislative trends.
• Evaluate the major regulatory hurdles facing DPC practices.
• Develop a plan based on best practices for how to engage local policymakers.
• Evaluate the existing resources and infrastructure available to support physicians interested in becoming engaged with DPC advocacy efforts.

Staci Benson, DO, Paradigm Family Health;
Jay Keese, DPC Coalition

Start Lean, Think Big

1:30–2:15 p.m.
General Session Room – Marriott 6-10
At the end of this educational activity, participants should be able to:
• Understand the steps needed to start a DPC practice.
• Access the resources available to support starting a DPC practice.
• Gain the confidence in their ability to start their own DPC practice.

Maura McLaughlin, MD, Blue Ridge Family Practice
Session—Saturday

Positioning Your Practice for Growth: Physician Recruiting
1:30–2:15 p.m.  
Breakout Room – Indiana FG
At the end of this educational activity, participants should be able to:
• Identify opportunities and challenges in adding a new physician.
• Understand how to position their practice for sustainable growth.

Matthew Priddy, MD, Priority Physicians PC

Business Planning for Your DPC Practices in 45 Minutes
2:15–3 p.m.  
General Session Room – Marriott 6-10
At the end of this educational activity, participants should be able to:
• Identify the financial basics of starting a new DPC practice.
• Understand the regulatory basics of starting a new DPC practice.

Josh Umbehr, MD, AtlasMD

Rise Up! (The DPC Climb to World Domination)
2:15–3 p.m.  
Breakout Room – Indiana FG
At the end of this educational activity, participants should be able to:
• Identify and implement established best practices in contracting with other providers.
• Evaluate the feasibility of adding a branch location.
• Describe the various methods and processes that direct primary care practices have established to engage employers in their community.

Jeffrey Davenport, MD, One Focus Medical

Legal Risk Mitigation for DPC Physicians
3–4 p.m.  
General Session Room – Marriott 6-10
At the end of this educational activity, participants should be able to:
• Understand the recent state and federal legislative changes/proposals relevant to DPC practices.
• Understand restrictive covenants, out-of-network status, the Health Information Technology for Economic and Clinical Health (HITECH) Act, and other legal tools available to DPC physicians.
• Review common contracting pitfalls for outside employment opportunities.
• Discuss barriers of in-office dispensing of prescription medications.
• Learn practical methods for educating large and small employers about DPC.

Philip Eskew, DO, JD, MBA, DPC Frontier

Evolving Your DPC Practice – You Made It, So Now What?
3–4 p.m.  
Breakout Room – Indiana FG
At the end of this educational activity, participants should be able to:
• Recognize the “growing pains” that will need to be addressed as your practice grows.
• Gain an understanding of common features of DPC practice expansion.
• Understand the necessary staffing changes, infrastructure requirements, and human resources issue that follow the addition of more DPC health care providers and locations.

Brian Forrest, MD, Access Healthcare;  
Matthew Priddy, MD, Priority Physicians PC
Ask a DPC Doctor!

4:15–5:15 p.m.
General Session Room – Marriott 6-10

This session will be available to the public with a primary focus on answering key patient questions and addressing political issues that physicians encounter when in a DPC practice. The questions and answers will focus on common misconceptions and concerns the public may have regarding DPC.

At the end of this educational activity, participants should be able to:

• Identify common inquiries from external stakeholders including patients, organizations, and public policy makers.
• Learn practical methods to answering common inquiries.

Facilitated by Ryan Neuhoefel, DO, NeuCare with various presenters

Sunday, July 15

DPC Changed the Rules; Reclaim Full-Scope Practice!

8–9 a.m.
General Session Room – Marriott 6-10

At the end of this educational activity, participants should be able to:

• Define opportunities to expand the scope of DPC practice in outpatient and inpatient settings.
• Identify the added value of expanding your scope of practice.
• Identify resources to help DPC physicians learn and perfect skills to achieve scope expansion.

Vance Lassey, MD, Holton Direct Care;
Nick Tomsen, MD, Antioch Med

Employers and DPC: How-to Guide

9–10 a.m.
General Session Room – Marriott 6-10

At the end of this educational activity, participants should be able to:

• Describe the various methods and processes that DPC practices have established to engage employers in their community.

DPC Hustles Harder

10:15–11:15 a.m.
General Session Room – Marriott 6-10

At the end of this educational activity, participants should be able to:

• Understand brand creation and brand identity.
• Learn best practices for marketing your practice.
• Know when to hire people for different tasks related to branding/marketing.
• Realize that you are your brand, and you need to tirelessly work to create value for your brand.

Paul Thomas, MD, Plum Health DPC

Pressure and Fire

11:15 a.m.–12 p.m.
General Session Room – Marriott 6-10

At the end of this educational activity, participants should be able to:

• Discover the shared joys and unique challenges of entrepreneurship.
• Review a framework in which to structure a broader vision for themselves, their career, and independent medicine.

Julie Gunther, MD, sparkMD

DPC After Hours – NOT FOR CME

12–1 p.m.
General Session Room – Marriott 6-10

Select speakers and experts will be available after the formal conference has concluded to answer any final questions. This also provides an opportunity for attendees to network with one another prior to returning home.
More Choices.
Better Care for Your Patients.

Rely on the AAFP Proficiency Testing Program to help you maintain laboratory excellence and ensure accurate results are reported to your patients.

Now we’re proud to offer nine new modules for 2019 to better meet your needs.

**Don’t miss out:** Enrollment begins August 1

For more information and to see the complete catalog, visit [www.aafp.org/pt](http://www.aafp.org/pt).
We know you’re busy.

Stay up to date and earn CME anytime, anywhere with the ACOFP eLearning Center.

Explore the possibilities with ACOFP eLearning:

• Live and On-Demand Webinars
• Board Exam Prep
• OMT Video Library
• Practice Enhancement Series
• OFP Journal Quizzes

Build your career with educational opportunities that are just a click away.

Direct Primary Care Summit
Medical Student and Resident Scholarship Fund

The AAFP Foundation has partnered with the American Academy of Family Physicians, the American College of Osteopathic Family Physicians, and the Family Medicine Education Consortium to form the new Direct Primary Care Summit Medical Student and Resident Scholarship Fund. The DPC Summit Scholarship Fund focuses on inspiring the future workforce by exposing them to the innovative DPC practice model.

The DPC Summit has played a key role in helping educate family physicians, students, residents, and external stakeholders on the DPC practice model. Through expert panels, highlighting success stories, and linking attendees to key mentors, we have continued to see awareness of this model grow. We believe exposure to the DPC practice model could help influence medical students and residents on their journey to family medicine. The DPC Summit is a great place for students and residents to learn the fundamental aspects of DPC, while also connecting them with thought leaders who practice the model.

All scholarships are made possible by the donations of family physicians and organizations committed to supporting the future of DPC and the pipeline of family medicine physicians.

Help us bring more residents and medical students to this inspirational conference by donating to the DPC Summit Medical Student and Resident Scholarship Fund.

All donations can be sent to the AAFP Foundation. For your convenience, there is an easy online form. Please be sure to designate your gift to the ‘DPC Summit Scholarship Fund’ on the drop-down list under the “Designation” heading of the online donation form at www.aafpfoundation.org/donatetoday.

Thank you to our generous donors this year!
