## Activity Disclaimer

The material presented here is being made available by the DPC Summit for educational purposes only. Please note that medical information is constantly changing; the information contained in this activity was accurate at the time of publication. This material is not intended to represent the only, nor necessarily best, methods or procedures appropriate for the medical situations discussed. Rather, it is intended to present an approach, view, statement, or opinion of the faculty, which may be helpful to others who face similar situations.

The DPC Summit disclaims any and all liability for injury or other damages resulting to any individual using this material and for all claims that might arise out of the use of the techniques demonstrated therein by such individuals, whether these claims shall be asserted by a physician or any other person. Physicians may care to check specific details such as drug doses and contraindications, etc., in standard sources prior to clinical application. This material might contain recommendations/guidelines developed by other organizations. Please note that although these guidelines might be included, this does not necessarily imply the endorsement by the DPC Summit.

## Disclosure Statement

It is the policy of the AAFP and ACOFP that all individuals in a position to control CME content disclose any relationships with ineligible companies upon nomination/invitation of participation. Disclosure documents are reviewed for potential relevant financial relationships. If relevant financial relationships are identified, mitigation strategies are agreed to prior to confirmation of participation. Only those participants who had no relevant financial relationships or who agreed to an identified mitigation process prior to their participation were involved in this CME activity.

All individuals in a position to control content for this activity have indicated they have no relevant financial relationships to disclose.

## Learning Objectives

1. Learn how to hire and fire employees to build a skilled team that improves practice efficiency and patient care.
2. Explore why hiring and firing employees is crucial for maintaining a strong practice culture and delivering high-quality patient outcomes.
3. Identify when to hire and fire employees to optimize staffing, reduce burnout, and ensure a positive patient experience.
4. Determine who to hire and fire to create a team aligned with the practice's values and goals, enhancing staff morale and patient satisfaction.

## Hiring and Firing

1. Who
2. When
3. Why and How
